

ISSUE 01 | SUMMER 2025

Natural
Rebound

THE NEXT ERA

A PUBLICATION BY NATURAL REBOUND

Built for Tomorrow

The homes we build today
shape the world we live in
for generations to come.

PERSPECTIVES

Rethinking housing as
climate infrastructure

SOLUTIONS

Innovations that restore
more than they consume

COMMUNITIES

Designing places where
people and nature thrive

INSIGHTS

Data, research, and ideas
shaping what's next

JOIN THE CONVERSATION

Ideas for the
next era
of housing.

EXPLORING THE FUTURE OF HOUSING,
COMMUNITIES, AND CLIMATE INFRASTRUCTURE.
